AAL Online Manual - Sample Page (Dressing a Section)

The screenshot shows a web page for the Australian Air League (AAL) Online Manual. At the top left is the AAL logo. The page title is "Dressing a Section". Below the title is a list of numbered instructions (6.1 to 6.7) detailing the procedure for dressing a section. The instructions include commands like "Section, Right - DRESS", "Section, Eyes - FRONT", and "Section - STEADY". Navigation links for "Previous (Numbering a Section)" and "Next (Falling in a Section)" are provided. A search box is visible at the top right, and a category list at the bottom includes "Manual" and "Section 12 Section Drill".

AAL Online Manual - Search

You can also search the manual using the search box at the top right of the screen

This screenshot shows the search interface of the AAL Online Manual. The search box contains the text "Right". A dropdown menu displays a list of search results, including "Right/Left Form (Flight Drill)", "Right/Left Form (Section Drill)", "Right/Left Incline at the Halt", "Right/Left Incline on the March", "Right/Left Turn at the Halt", "Right/Left Turn on the March", "Right/Left Wheel (Flight Drill)", "Right/Left Wheel (Section Drill)", "Right Dress", and "Right of Appeal Against a Member of a Board of Inquiry". The search box also includes a "View history" dropdown and a search icon.

AAL Online Manual - Qualifications for NCO's (changes)

In the example shown here, the previous version is shown on the left, and the latest version on the right. Changes are highlight in red.

The reason the change is shown too (1), typically it will be a reference to the relevant Instruction, for example here the *NCO Promotion Requirements* were changed in **F/Fl/53/12 (Federal Field Instruction 53 - 2012)**.
